It is the *Parent's responsibility* to have the bond form signed when they complete a volunteer activity. The supervising SCCC employee of the volunteer duty signs the form. Any amendments to the hours noted should be initialed by the Director.

Please Retain this form to track your volunteer hours.

Each Family will be required to submit this form to the Executive Director by December 1st.

If a family is unable to verify 6 volunteer hours, they will not be eligible for a refund of the \$300 (per family) Parent Co-operative Volunteer Hours Bond. There are no exceptions.

We highly encourage families to volunteer over and above the 6 hour minimum requirement to assist in maintaining low overhead and memberships costs.
